**PETITION TO WITHDRAW NOTICE OF ABANDONMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This petition request that the Notice of Abandonment sent to Applicants' counsel Bacon & Thomas, PLLC on July 24, 2006 regarding this application be withdrawn. The grounds for this request are as follows.

1. The Notice of Abandonment explains that the grounds for the Notice rests in Applicants' failure to respond to the Notification of MISSING REQUIREMENTS (Form PCT/DO/EO/905) mailed 09/26/2005 within the time period set therein.

2. Applicants' counsel, Bacon & Thomas, PLLC, through the undersigned firm member, hereby represents that it never received the Notice of Missing of Requirements referred to in the Notice of Abandonment. All relevant records have been checked and no record exists of receipt of this document. Specifically, Applicants' attorney has reviewed the file jacket of this application and the docket records of the firm with which Applicants' attorney is associated without locating any record that the Notice of Missing Requirements was ever received in his office. A copy of the docket record where the non-received Notice of Missing Requirements would have been entered had it been received and docketed is attached hereto as Appendix A, which is a docket sheet generated in the usual course of daily activities within the firm identifying all items on which action must be taken on any given day. The Notice of Missing Requirements mailed September 26, 2005 set a term of two months for responding to the Notice and Appendix A reveals all action items generated by the firm's docket

system falling due on November 26, 2005. The docket sheet of Appendix A shows the date as November 28, 2005 because November 26, 2005 was a Saturday. The date of November 28, 2005 represents the next business day on which items docketed for action on November 26, 2005 would appear.

Also appended hereto as Appendix B is the firm's docket report with regard to this application showing a record of all transactions related to the application, including all papers filed in the Office with regard to this application and all documents received from the Office concerning the application. There is no entry reflecting receipt of the Notice of Missing Requirements referred to herein nor is there any indication that a response to such Notice was filed. It is respectfully submitted that the documents of Appendix A and B clearly evidence that the Notice of Missing Requirements was never received in the office of Applicants' attorney.

3. On or about May 19, 2006 during a routine check as to the status of this application, Ms. Tiffany Stepney, secretary to the undersigned attorney, first learned about the Notification of Missing Requirements mailed September 26, 2005. Ms. Stepney contacted Ms. Mamie P. Person at the U.S. PCT DO/EO, who signed the missing parts notice, by telephone on May 19, 2006 and informed her that the Notification of Missing Requirements mailed on September 26, 2005 was never received. Ms. Stepney was advised to notify Ms. Mamie Person in writing by facsimile and that appropriate follow-up action would be taken, specifically Ms. Stepney was advised that a fresh copy of the Notice would be mailed upon receipt of the fax. A true copy of the facsimile letter transmitted to Mamie Person dated May 19, 2006 under the name of Michael Depasse, Docket Manager of Bacon & Thomas, PLLC, is attached as Appendix C, with a transmission report (Appendix D) confirming receipt of the document by recipient at facsimile number 703 308 4785 (the number given the clerk by Ms. Mamie Person).

4. Nothing more was heard in response to the May 19, 2006 facsimile and Ms. Stepney again called Ms. Person on July 7, 2006, leaving a voice message requesting information concerning the status of this matter.

5. On July 25, 2006, the Notice of Abandonment mailed July 24, 2006 was received at Bacon & Thomas, PLLC and another call was placed to Ms. Mamie Person inquiring about the reason for the Notice of Abandonment after we were previously

advised that a facsimile of May 19, 2006 would be sufficient to resolve the missing Notice of Requirements mailed September 26, 2005. No response was received from Ms. Person.

6. On July 26, 2006, calls were placed to various PTO representatives by the undersigned attorney seeking an explanation of why the Notice of Abandonment was sent following compliance with the request of Ms. Mamie Person by transmitting the facsimile letter of May 19, 2006. Mr. Harvey Phillips of the Office of PCT Operations informed us that a petition explaining the matter should be directed to Mr. Leonard Smith of the Office of PCT Legal Administration seeking withdrawal of the Notice of Abandonment.

7. Under the circumstances detailed above, it is requested that the Notice of Abandonment be withdrawn and that a new Notification of Missing Requirements be transmitted to Applicants' attorney setting an appropriate time for responding to the Notice.

8. Petitioner also requests that any fees required incidental to this paper be waived in view of the failure of the Office to properly inform Applicant of the status of this application following the mailing of the facsimile dated May 19, 2006 in accordance with instructions received from Ms. Mamie Person.

9. In the event that the petition fee is not waived, Applicant hereby authorizes that any such fee be charged to Deposit Account No. 02-0200.

Respectfully submitted,  
BACON & THOMAS, PLLC
